

APPALACHIAN FAIR FOR IMMEDIATE RELEASE

APPY'S FARM

Appalachian Fair is proud to announce a new exhibit for children of all ages! **Appy's Farm** is located in **Building 4** on the Fairgrounds with a focus on **Agriculture – Tennessee's Leading Industry** and the importance it plays in our daily lives.

The children's area gives youngsters the opportunity to "play farmer" with various animals, farm equipment, and buildings found on the farm. The beef, sheep, dairy and chicken areas describe how these animals are used in our food supply. Children can also "dig" in the vegetable garden and "play" in the corn pit, ride toy tractors and play a game of corn hole. Parents are welcome to rest and recharge as children enjoy The Farm.

Appy will be visiting **The Farm** at various times during the week. Stop by and have your picture made with Appy!

Join us as we have our **ribbon cutting ceremony** to celebrate **Appy's Farm** - our newest exhibit (paid gate admission required).
